#### Case Narrative

Case Number: 17-27662

Runaway Juvenile

Date: 08-09-2017

Ofc. P. Spak #629

On 08-09-2017, at approximately 2010 hours, while on uniformed patrol in the City of Kirkland, County of King, State of Washington, I was dispatched to an Escape from the Fairfax Hospital, 10200 NE 132nd ST. The reporting party, who is the acting "House Supervisor" of Fairfax Hospital, [REDACTED] (DOB [REDACTED]). [REDACTED] stated a female who had been Involuntarily Committed had escaped from their facility. This female was later identified as [REDACTED] (DOB [REDACTED]). [REDACTED] said [REDACTED] was last seen wearing a maroon long sleeve shirt with a white logo stating "Pink" and black leggings.

I arrived on scene at Fairfax, and I noticed a ground floor window that had been completely shattered and the metal window frame had been bent open. It was later confirmed that this was the location that [REDACTED] escaped from. See attached case photos.

I then contacted [REDACTED]. I was provided with an official Mental Health Contact Report for [REDACTED]. In the report it states that [REDACTED] was Involuntarily Committed by Lake Stevens Police Department on 08-07-2017. I was told by [REDACTED] that during [REDACTED] encounter with Lake Stevens PD, she inferred threats to commit suicide by Law Enforcement.

[REDACTED] signed the Missing Person Signature form, attesting that she reported [REDACTED] as a missing person. [REDACTED] then signed the Kirkland Police Department Runaway Report. Both of these forms were faxed to NORCOM-Data, and [REDACTED] was entered into WACIC/NCIC as a Runaway Juvenile by Operator T158.

[REDACTED] provided me with [REDACTED] mother's information, [REDACTED] (DOB [REDACTED]). I attempted to call [REDACTED] multiple times to ask her further questions about [REDACTED] specifically her associates, hangouts, or of [REDACTED] had family or friends in the area. I was unable to get into contact with [REDACTED], and [REDACTED] was not able to provide this information.

A Kirkland Police Department Crime Information Bulletin was completed and all the proper forms and statements were submitted into the case jacket.

## CASE REPORT

### NARRATIVE (continuation)

████████████████████ did not want to pursue charges of Malicious Mischief for ██████████ breaking her room window.

On 08-09-2017, I was dispatched to a Follow-Up by phone. The reporting party, who was again ██████████ stated ██████████ was located safe, and was at home with her mother ██████████ I then called ██████████ on the phone, and ██████████ confirmed that ██████████ was in fact home with her, she was safe, uninjured, and was no longer a Runaway/ Missing juvenile. ██████████ added that ██████████ ordered an Uber from Kirkland to her residence. ██████████ added that they would be seeing a doctor in the morning, to possibly relocate her to a different Medical Facility.

At 1125 hours Operator T-158 removed ██████████ from WACIC/NCIC as a missing person.

It should be noted that through the written statements, and missing juvenile forms, the reporting party, ██████████'s name was spelled incorrectly as "████████████████████".
